

Fits anywhere. Does anything.

A versatile Thin Client PC to boost productivity

This versatile Thin Client PC is a big productivity booster. Surprisingly compact in a 1L fanless frame, it can be deployed virtually anywhere – under a desk, behind a monitor or using a range of mounts. It even transforms into an All-in-One with the unique ThinkCentre® Tiny-in-One. Powered by Intel's newest Braswell processor, it supports up to 3 displays and delivers 40% better performance¹ when using apps such as AutoCAD and power consumption¹. The 2L version also offers legacy support for existing hardware.

WHY YOU SHOULD BUY THE Lenovo™ THINKCENTRE® M600 THIN CLIENT PC

Deploys anywhere

Compact 1L form factor fits virtually anywhere, and even transforms into a super-convenient All-in-One with the ThinkCentre® Tiny-in-One.

Fanless design

The fanless Thin Client delivers noiseless performance reducing both dust intake and maintenance.

Boosts productivity

The newest Intel® Braswell processor delivers over 40% performance¹ improvement and up to 3 independent displays.

Legacy support

2L version provides COM, LPT and PS/2 ports for legacy support – no need for costly updates to existing hardware.

THE Lenovo™ THINKCENTRE® M600 THIN CLIENT PC IS BEST SUITED FOR

1

Businesses that need a compact, fanless Thin Client PC for deployment versatility.

2

Businesses that can use a Thin Client PC to drive productivity and provide multimonitor support.

3

Businesses that want the cost-saving benefit of a Thin Client that can support legacy hardware.

¹ vs. the previous generation.
